## HISTORY

The club were established in 1903 and joined the Bognor District League.

After World War I we joined the Littlehampton District League, winning it in 1932-33, 1933-34, 1947-48 and 1948-49.

We later joined the West Sussex League, which we won in 1999-2000 and again in 2003-04.

We then joined Division Three of the Sussex County League. In 2006-07 we won Division Three, going unbeaten in the league for the whole of 2006, this resulted in us being featured on Sky Sports.

The record was to remain until 24 February 2007, when it was ended by Haywards Heath.

We became champions of Division Two in 2017-18 and have won the title for the past three seasons in a row.
